

## Callier Child Development Program

### SCHOOL LUNCH REQUEST FORM

Callier offers you the option to purchase a school-prepared lunch for your child. School lunch is not included in tuition; if you prefer, your child may bring lunch from home. (Callier participates in the National School Lunch/School Breakfast Program. Families who meet financial need guidelines may be eligible for free or reduced lunch. Application forms are available from the school office.)

You may change your lunch service selection by submitting a request form at least one week before the date of change. (Forms are available from the office.)
