

What is Camp Interact?

Camp Interact is a weeklong therapeutic day camp for children entering 2nd - 6th grades with social skill difficulties. Children may have a diagnosis of autism spectrum disorder, ADHD, social communication disorder, nonverbal learning disorder and/or mild language impairments. The day includes a lesson time, drama, team building, funshops and special activities. Camp is supervised by licensed speech-language pathologists and supported by graduate student clinicians.

Who: Children who have finished 1st - 5th grades who are conversational with familiar people but struggle with same-aged peers. Campers must not require 1:1 assistance for the duration of the day.

Space is limited.

To reserve your spot: An intake assessment is required for all new campers. The cost of the intake is \$50 and is not insurance eligible. The intake assessments are held at the Callier Center in Dallas, 1966 Inwood Road, on Wednesdays at 8:30 or Thursdays at 5:00.

When: August 3 - 7, 2026

9:00 a.m. – 3:00 p.m. (Monday - Thursday)

9:00 a.m. – 12:30 p.m. (Friday)

Where: Callier Center Richardson
2895 Facilities Way
Richardson, Texas 75080

Cost: \$500, not insurance eligible + \$100 enrollment fee; a limited number of scholarships are available with application and approval.

Contact: Rachel Wehner

Rachel.wehner@utdallas.edu for non-Callier patients. Current Callier patients please contact your provider through the patient portal.

Callier Center for Communication Disorders

The Callier Center for Communication Disorders helps people communicate throughout their lives — to hear and be heard, to understand and be understood. For more than 60 years, we have provided treatment, training and research to help people of all ages hear, speak and connect with others.
